

# **Kenny Clamp®**, US Patent No. 7595455 **Grounding Electrode Conductor Connector**

Email: [kenny.clamp@gmail.com](mailto:kenny.clamp@gmail.com) Phone: 410-741-9551 Fax: 410-741-1240

**Sizes 8 AWG  
Stranded to 4/0 AWG  
Copper**

**Size 3/0 AWG - 4/0 AWG  
ALCU**

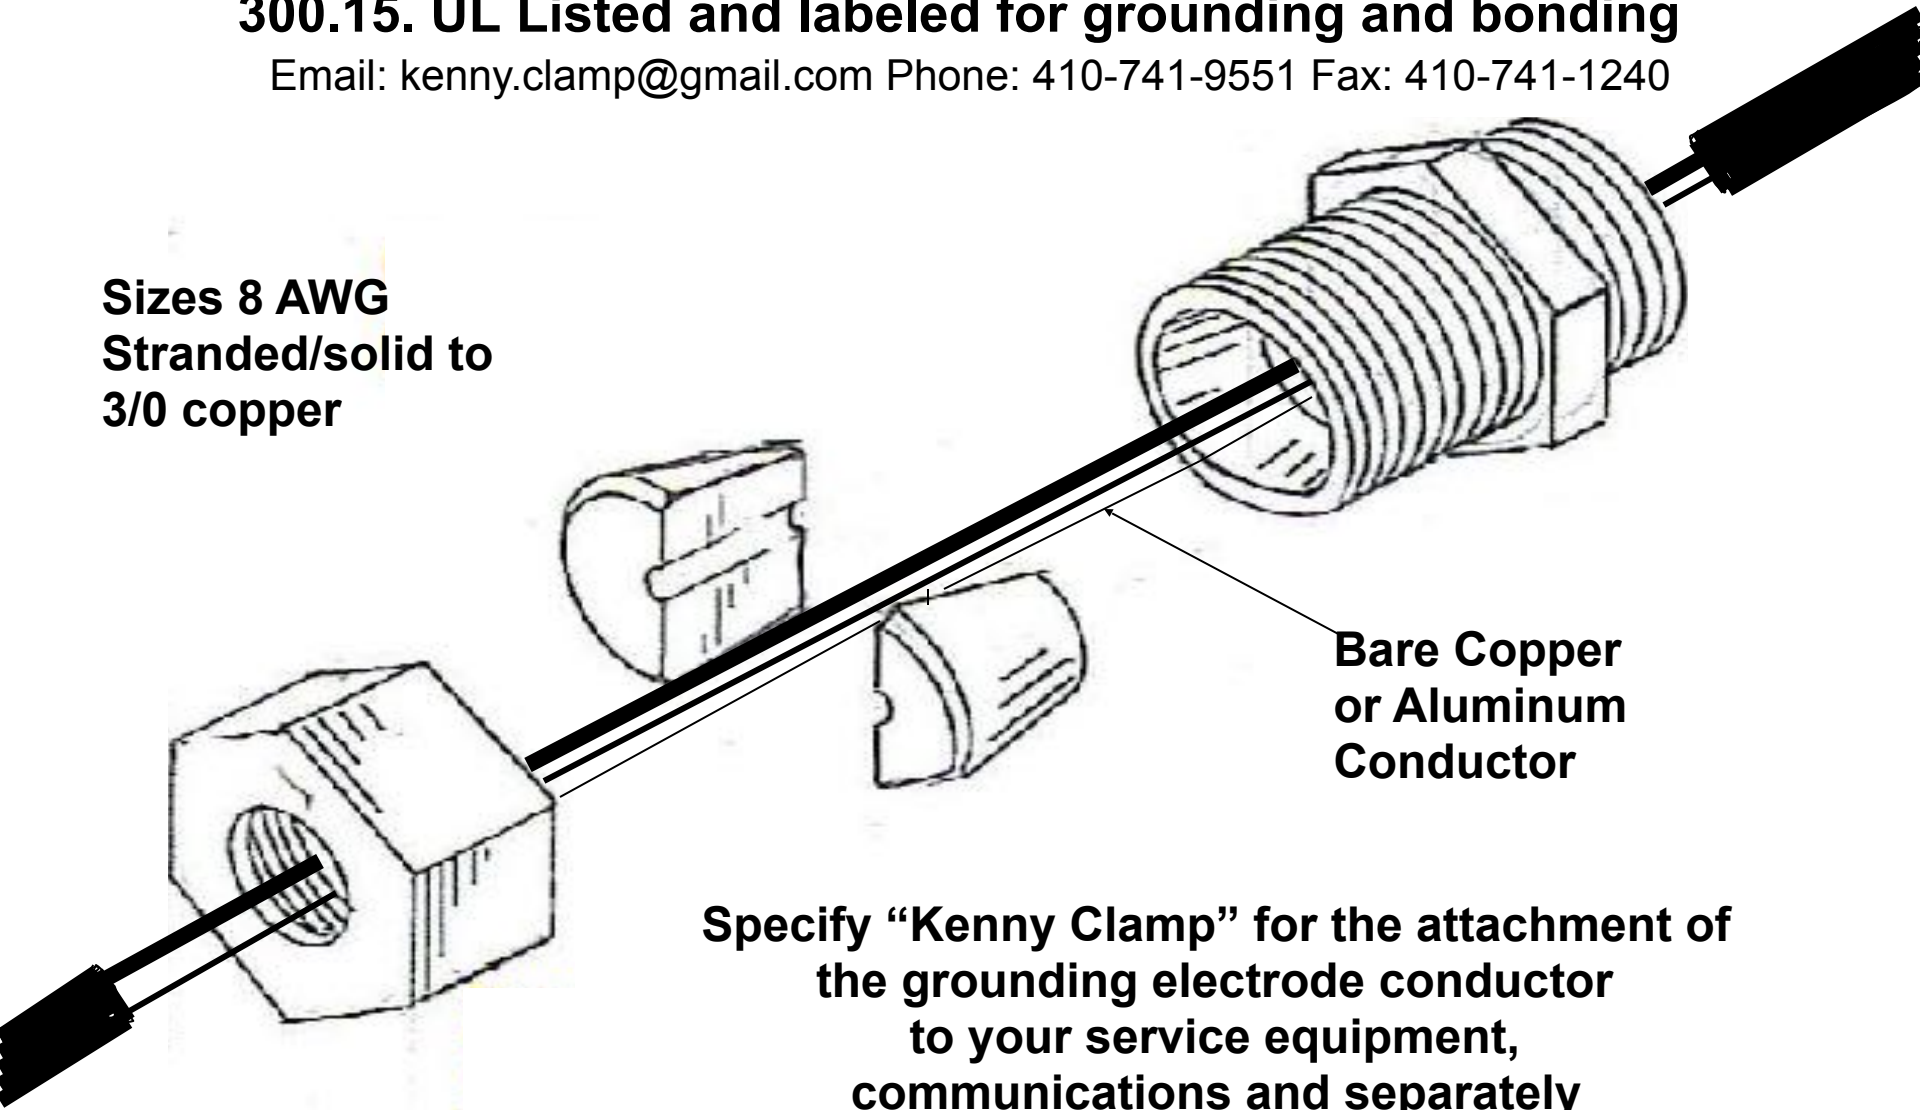

**Specify  
“Kenny Clamp” UL  
listed 2DF3 connector  
for grounding, bonding  
and attachment of the  
grounding electrode  
conductor to  
enclosures, wireways  
and separately derived  
systems**

**Ensure NEC Code Compliance for  
your grounding connections, 210.8, 250.64(E), 250.64(B) and  
300.15. UL Listed and labeled for grounding and bonding**

Email: [kenny.clamp@gmail.com](mailto:kenny.clamp@gmail.com) Phone: 410-741-9551 Fax: 410-741-1240

**Sizes 8 AWG  
Stranded/solid to  
3/0 copper**

**Bare Copper  
or Aluminum  
Conductor**

**Specify “Kenny Clamp” for the attachment of  
the grounding electrode conductor  
to your service equipment,  
communications and separately  
derived systems enclosures**
